

PROFILE – Norman Browe, MA, LLP

Norman Browe, MA, LLP is a graduate from Northern Michigan University with a Bachelors Degree in Social Work and holds a Masters Degree from Western Michigan University in Counseling Education and Counseling Psychology. He is certified by the State of Michigan as a Limited Licensed Psychologist.

Norm has provided professional service in the field of addiction treatment since 1984 and provides individual, group and educational therapy sessions for the addicted patient and his or her family members. He also facilitates a weekly Relapse Prevention Course for patients at the residential and intensive outpatient level of care. Over the course of his career Norm has worked in residential, intensive outpatient and outpatient settings. Other areas of specialization Norm brings to WeMAC include work with the dually-diagnosed and perpetrators of domestic violence utilizing the Duluth Model treatment approach.
