

LICENSING AND ACCREDITATION

WeMAC, PC is licensed by the State of Michigan, Department of Consumer Industry Services, Bureau of Health Systems, Division of Licensing and Certification.

WeMAC, PC regularly and voluntarily undergoes a rigorous accreditation process and holds accreditation from CARF (The Commission on Accreditation of Rehabilitation Facilities) for outpatient treatment, day treatment and community housing. As a CARF accredited organization, we are committed to continually improving our services.

All of the clinical staff hold advanced degrees and have many years of experience in treating addiction. They are appropriately licensed by the State of Michigan in their respective fields.
